Awakening His Lady / K. Dennis — «HarperCollins», — (Mills & Boon Modern)

King John's summons to war in France may have taken Sir Thomas Addecker away from his beloved Lady Meriom before they could wed, but not before they shared one passionate night together on the eve of his departure.The memory of that love and desire helped Thomas survive, even after he was brutally scarred in battle. But nothing could be more painful than the thought of Meri, believing Thomas was killed, marrying another man. Can this warrior reawaken the passion they once shared before it is too late?

Kathrynn Dennis is so excited to be writing for Mills & Boon Historical UNDONE! Like most romance writers, she is an avid reader of the genre, and has been reading Mills & Boon Historicals since she was old enough to sneak a flashlight under the covers and read until her mother insisted it was *really* time to turn out the light. Kathrynn loves and writes earthy, sensual medieval romance. Her stories have a hint of the mysticism/paranormal element that was a part of everyday life in the middle ages. Kathrynn is a wife, a mother with a full-time job, and when she isn't writing, she spends her time exercise-walking around her home in sunny Northern California and dreaming up more stories. AWAKENING HIS LADY is Kathrynn's debut novel for Mills & Boon Historical UNDONE. She loves to hear from readers and can be contacted at Kathrynn.Dennis@gmail.com, or visit her website at www.kdennis.com.

Author Note

I hope you enjoy AWAKENING HIS LADY. Before the time of DNA testing, dental radiographs, or even dog tags, the identification of a soldier who fell in battle often relied upon recovery and return of a personal item—jewellery, armour, a shield.

But sometimes mistakes were made.

Happily, reports of a tragic death were occasionally proved wrong. Imagine the passion and the joy shared between reunited lovers—a heroine reawakens and her hero, long given up for dead, renews his faith in love.
