Ladies Who Lust: An Erotica Collection / V. Various —
«HarperCollins»,

Lesbian liaisons that make straight women curious and drive men wild. 'Ladies Who Lust' includes hot original erotica from Delilah Devlin, Valerie Grey, Primula Bond, Elizabeth Coldwell and Chrissie Bentley. There will always be something deliciously exciting about the seductions of one woman with another. And Mischief wouldn't be a leading publisher of erotica if it didn't explore these very special feminine lusts. At a company party, while the men talk the wives get down to a different kind of business. In Manhattan, a barmaid called Delilah eagerly entertains a visiting business woman. Consolation can take seductive paths when a woman comforts her girlfriend.
