Michelle Celmer

USA TODAY bestselling author **MICHELLE CELMER** has written more than twenty-five books for Mills & Boon. You can usually find her in her office with her laptop, loving the fact that she gets to work in her pyjamas. Write her at P.O. I dedicate this work to my future Great Niece or Nephew, who will make his or her appearance at roughly the same time as this book. You have five brothers, so naturally your mommy is hoping for a girl. Try to work on that okay?
