# Chapter #1

Grace the Squirrel woke up early. She loved the morning sunshine. Today felt special. She decided to explore a new part of the forest. As she hopped from tree to tree, she saw a beautiful bird. The bird was singing a sweet song. Grace was curious and wanted to meet her. She took a deep breath and approached the bird.

## Chapter #2

Grace introduced herself to the bird. «Hello, I'm Grace the Squirrel,» she said. The bird stopped singing and smiled. «Hello, Grace. I'm Lily the Bird,» she replied. Grace was happy to meet Lily. They chatted for a while. Grace learned that Lily loved to sing. Lily learned that Grace loved to explore.

## Chapter #3

Grace and Lily decided to go on an adventure. They wanted to find the tallest tree in the forest. Grace climbed up high. Lily flew beside her. Together, they reached the top. The view was amazing. They could see the whole forest. Both friends felt very happy.

## Chapter #4

One day, dark clouds covered the sky. A storm was coming. Grace and Lily found shelter under a big tree. The wind was strong and the rain was heavy. They stayed close to each other. Grace told Lily funny stories to keep her calm. Lily sang softly to comfort Grace. They waited for the storm to pass.
