Введение

Дорогие ребята и их родители!

Эта книга создана для младших школьников, которые начинают изучать английский язык. В ней собраны топики на разные темы из повседневной жизни детей, такие как «My Name», «My Favorite Food» и «My Clothes». Каждый топик написан простым и понятным языком, чтобы дети могли легко читать и понимать текст.

Каждый раздел содержит текст для чтения, полезные слова и выражения, задания True/False, вопросы для обсуждения и ключи с подробными примерами ответов. Такая структура помогает детям постепенно расширять словарный запас, улучшать навыки чтения, письма и говорения на английском языке.

Цель книги – предоставить детям и их родителям систематический и практический материал для изучения английского языка. Родители могут использовать книгу для контроля усвоения материала и помощи детям в выполнении упражнений.

Я надеюсь, что эта книга станет удобным учебным пособием для ежедневной работы с английским языком и поможет детям уверенно использовать новые слова и выражения.

Желаю успехов!
