Дорогие читатели!

В современном изучении английского языка важно не только знать грамматику и лексику, но и уметь правильно использовать устойчивые выражения и идиомы. Каждая глава включает список выражений с примерами их использования, упражнения для закрепления материала и развёрнутые ключи для самопроверки и анализа.

Практическая направленность книги позволит вам изучать выражения постепенно, закреплять их употребление и повышать уверенность при работе с экзаменационными заданиями. Все упражнения ориентированы на формирование навыков понимания и использования языка в реальных ситуациях.
