Аннотация

Словно капли солнечного света, застывшие в строках, эти стихи наполнены беззаботностью, радостью и мимолетностью летнего счастья. Сборник погружает читателя в атмосферу золотых дней, когда мир кажется безграничным, а чувства расцветают с невиданной силой. Это идеальное чтение для тех, кто тоскует по теплу, верит в магию долгих летних вечеров и хочет сохранить в памяти вкус самого счастливого времени года. Легкая, светлая поэзия.

The night sky is so magical tonight
I love my lady. She is so smart
I am so excited that my honey
I am writing to you a letter
I miss seeing your lovely face
Honey, you are my precious love
You are sleeping before me
She likes to travel, she is so fast
All my feelings and thoughts
Sometimes I look above
My love is very strong
I don't need anything from you
Today, there are tears in my eyes
My love, I'll stay with you
When I dream about my love
My love just look above
You are sitting on the window
My dearest woman far from me
The wind is blowing and it's warm
You're sitting on the window
Lovely lady when you laugh at me
I am smiling now, I think of you
Today was a hot weather
My angel lives far from me

Autumn is coming slowly
My love for her will last forever
I love you honey

I feel obsessed with my lady
My honey! You are so fun!
Though we'll never be together
A long-distance is between us
Maybe it's too late for me
You are the dearest soul for me
The sun is shining, the air is hot
The fall is coming to our place
Dear, you're hugging me tonight
My love for you will never die
I want to meet you in my life
I hope you love me too
You are beautiful like a flower
The sun shines, but not for me
Don't worry dear, I'll be okay
My lovely girl, my sunshine
I'm writing to you, I feel alright
I think of you, I'm smiling
Morning love! How is your life?

You mean so much to me
You're my crush for all my life
I chase you, I am not sure
Autumn came, it's getting cold
Autumn, it rains all-day
The sun is shining now again
You are so gorgeous, amazing!
I love you more today
Tomorrow you will rise again
You're the smartest girl for me
Yes, I felt that way
What a beautiful day
I love the sun, I love the sea
The light is coming into a room
The main thing in this life
The main thing in this life
My dear is already awake
My wife is sitting on the grass
My love, you're the cutest ever
Can't wait to see your smile
My eyes hurt already
I can't imagine life without you
The sky is blue,
A birthday

ACKNOWLEDGMENTS

I'm very thankful to the woman I love for inspiration. I'm very grateful to my family for supporting me during the time I was writing my poetry.

Whoever you are! I'm very thankful to you for reading this book. These lovely poems are just for you.

June is so beautiful in the rain

Birch's foliage sparkles on the sun
Loud sounds of thunder entertain
I love such weather, it is very fun!

Roses look fresh under raindrops
Plants wave to me, it's so exciting
Cars are glossy on the parking lots
In the sky, the rainbow looks amazing

My lovely lady, you look amazing too
Gorgeous like all the flowers blossom
I'm admired by a perfect exciting view
You are so cute and always awesome
You know how much I love you

Thousands of miles from your place

I think about you my precious love
I can't forget your smiling face
You are so important in my life

All I want to see you in my dream
To feel the warmth of your charm
Better than you I have never seen
Thanks to you I know who I am

I love to see how you are smiling

You are beautiful like a sunny day
My flower, you look so mesmerizing
Follow me, I'll show you Milky Way

The night is beautiful and soothing
Let's have fresh air while it's warm
The stars tonight are so amazing
Mosquitoes bite us, but it's norm

We'll use a spray against mosquitoes
They won't be touching you my love
We'll be watching how ocean billows
Under the full moon flowing above

To tell the truth mosquitoes like me
They will bite me instead of you
I'll be delighted to protect you, honey
I'll be very patient cause I love you

The air is hot, the wind is calmed

The sky is blue, the sun burns you
We walk to a beach overwhelmed
With happiness to see such a view

The sea is playing with sunlights
The sand is hot, it burns your feet
The waves sparkle, pleasing eyes
This place is cute, it is pretty neat

How good today to swim with you
Let's bet I'll first dive into a water
Wait for me, wow, how fast are you!
Next time I'll be first, I'll be better

I'm sorry dear but today

I can't write well for you
Don't worry dear I'm okay
I feel so much love for you

I must confess you, beautiful
I woke up feeling temperature
I caught a cold, I wasn't careful
Please read the other literature

My love is the best thing

That happened in my life
I will be always cherishing
A dream to meet my wife

You are always in my heart
You're close, but not enough
You're my light when it's dark
I often feel your hidden love

Maybe your beauty not for long

I'm gonna love your soul forever
All my thoughts only you belong
It's cozy to be with you together

Your sadness worries me today
I want to ask you: how are you?
Look, honey! What a beautiful day!
Know that someone loves you

You know I got used to a warm-weather

It seems the summer will last forever
Days are too hot but good whatsoever
Nights are magical, let's walk together

Let's go I'll show you stars and planets
Not sure I know them, but you'll believe
I will bring you ice cream with peanuts
I will show you the sunrise from the cliff

I think of you cause I love you

I miss you kinda you are mine
In my imagination perfect view
Just illusion of you, but it's fine

This is a pleasure to miss you
You are an angel in my mind
I think of you, smile like you do
You're so cute, one of the kind

Love you even you ain't with me
For you my love I'm gonna pray
All I want that you will be happy
Hope you're having a lovely day

Morning sunshine! I love you

You look amazing like a flower
Look outside! It's such a view
Trees sparkle after a rain shower

Inhale fresh air, this is so clean
The sun is smiling just for you
Better than you I've never seen
Wherever you go I'll follow you

Summer night I miss my love

She must be thinking about me
How good she is, she is my life
More than anyone I love my lady

My lovely sunshine, shine for me!
Your light is making me so happy
I have the warmest love in history
How easy you rise up my jealousy

Today I am happy to write to you
You mean so much to me, my sky
I breathe differently cause I love you
So much love, wet eyes, I don't cry

Lovely lady, you're the cutest ever

And all l want is to be with you
Can't wait the day we'll be together
Cause I love you and miss you too

Sanity tells me it will never happen
The best time I like to dream of you
Maybe you are something I imagine
But in my dreams, you look so true

You are my angel who comes to me
You gave me love. You saved my life
I'm sorry if sometimes I hurt you, honey
