Drakosha and the Golden Fish / V. Anaev — «Издательские решения»,

The hero of «Drakosha and the sun bunny» returns in a brand-new adventure! Drakosha loves fishing, but he is no ordinary fisherman: whenever he catches a fish, he takes care of it and then lets it go free. One day, he pulls a real golden fish out of the water. Grateful for his kindness, the golden fish promises to grant him three wishes. But what will the little dragon wish for when what he wants most of all is to have friends?

Drakosha was a little dragon with blue-green skin, a long tail, and big kind eyes. He loved fishing very much. Every morning, he took his fishing rod and basket and went to the magical lake in the forest.

The lake was special: its water glowed with a soft blue light, and the fish were bright colors — red, yellow, and green, like a rainbow.
